

## Attention City of Boston School Teachers and Students

---

Continuing the tradition, all non-winning posters entered into the MWRA's School Contest will be forwarded to the [Boston Water & Sewer Commission \(BWSC\)](#) for a "2<sup>nd</sup> Chance Contest".

BWSC will issue certificates to all participating Boston school children. They will also select posters to be displayed in their lobby at 980 Harrison Ave., Boston, MA during National Drinking Water Week in May, 2011.

If you have questions about the "2<sup>nd</sup> Chance Contest", please contact Jeanne Richardson at [richardsonje@bwsc.org](mailto:richardsonje@bwsc.org).
