VIDEO CONTEST 2012/2013

RELEASE AND AUTHORIZATION FORM

We _____ (student), and _____ (parent/guardian) hereby assign and transfer all rights and copyrights to any and all original, creative works ("Work") by the undersigned student, including any video tape and/or sound recordings which are a part of the Work to and for the use and benefit of the Massachusetts Water Resources Authority ("MWRA") in connection with the above-referenced contest. In addition, each of the undersigned hereby authorizes MWRA the unrestricted right to display, reproduce, exhibit, broadcast and/or distribute the Work ("Re-Publication") without limitation and release MWRA from any and all claims for any compensation for the Work or for any Re-Publication thereof by the student, parent(s) or other contributors to the Work.

If the Work contains copyrighted material, student and parent/guardian represent to MWRA that appropriate permission has been obtained for the use of such material and have attached evidence of that permission to this document. In consideration of the foregoing assignment of the Work and release of any claims, MWRA grants to the named student the non-exclusive, royalty-free right to use and claim the Work for the sole purpose of attributing its creation to the student and/or for the purpose of exhibiting a copy of the Work in any portfolio of the student or for any other non-commercial purpose or use thereof.

The undersigned parent hereby certifies that he/she is over the age of twenty-one (21) years and is willing to bind both parent/legal guardian and student to the foregoing terms concerning the Work.
