### **Q. Do posters have to be drawings?**

**A.** No, posters can be any form of art you choose to express the topic. You can create a collage with pictures cut out of a magazine, you can use pieces of fabric or you can create a drawing using markers, crayons, paints, or charcoal. We are looking for unique and creative works of art.

**A. YES** - Posters must be no smaller than 8.5" X 11" and no bigger than 18" X 24". Posters smaller or bigger than these requirements will **NOT** be judged. Be sure to attach a Student Label to the back of your poster.

## **Questions about the Writing Contest**

### **Q. What is the writing topic?**

**A.** The topic for both categories (Gr. 3-5 and Gr. 6-8) is How Does the Weather Affect the MWRA and Its Workers.

### **Q. What makes a good writing entry?**

**A.** First, be sure your entry addresses the question. As good as a piece might be, if it isn't on topic, it can't win a prize. Then, use your creativity to make your entry stand out. The reader should remember your work because there was something unique about it. An essay can be just as creative as a poem or dialogue, if it has a clear theme and develops it cleverly.

### **Q. How long should my writing entry be?**

**A.** Writing entries are limited to two pages. Entries may be written neatly in ink or done on the computer. Please use only one side of the paper and be sure to attach a Student Label securely to the back of your entry.

### **Q. How will my writing entry be judged?**
