**WSCAC Meeting
October 10, 2017
10:00-12:00**

**John J. Carroll Water Treatment Plant-Conference Room
84 D'Angelo Dr, Marlborough, MA 01752**

We will meet in the upstairs conference room at the Carroll Water Treatment Plant at 10:00 to vote on the approval of the August meeting summary and provide information on the Wachusett Pumping Station. MWRA staff will be available to answer questions.

We will walk to the construction site and tour the area. Please come prepared with appropriate shoes and clothing.

If you haven't already, please RSVP to us so we can provide an accurate list of attendees to security at the gate.

We are looking forward to seeing you on October 10th @ 10:00 a.m.
