Joint WAC/WSCAC VIRTUAL Meeting
Friday, March 5, 2021
10:30 AM

Introduction

I. FEATURED PRESENTATIONS:

Kathleen Baskin, P.E., Assistant Commissioner of the Mass DEP Bureau of Water Resources will review DEP's PFAS research efforts, particularly of water supplies and wastewater inputs and residuals.

Becky Weidman, Director of Toxic Reduction and Control at MWRA will talk about the data gathering the Authority is undertaking for DEP from industrial permit holders (those who discharge to MWRA) and of biosolid levels.

II. WAC Briefs: Voting of February 2021 Meeting Summary & Announcements

III. WSCAC Briefs: Voting of January 2021 Meeting Summary & Announcements
