

SAMPLE ANALYSES AND REPORTING CERTIFICATION FORM
FOR SUBMISSION DIRECTLY FROM THE LABORATORY

The permittee must have a current signed and dated copy of this form on file with the MWRA

Permittee Name: _____

MWRA Permit Number: _____

I hereby certify that I have engaged an independent laboratory (which is certified by the Massachusetts Department of Environmental Protection to perform wastewater analyses) to submit to the MWRA, via its electronic Self Monitoring Analytical Report Tracking (e-SMART), the reports of the analyses of sampling required by MWRA. I certify under penalty of law that the information submitted through the MWRA's web-based program, and accompanying chain of custody forms, provided to the MWRA by the laboratory, were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information to be submitted by the laboratory will be, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

I certify that I have instructed the laboratory to provide me with a copy of each report it submits to the MWRA on my behalf, no later than the day it submits the report to the MWRA. I understand that I am responsible to assure that such reports are timely submitted to me and to the MWRA.

I understand that this certification applies to the laboratory I now use and to any laboratory I may use in the future.
